VIZADZ is a location-first marketplace where local businesses and creators publish time-boxed offers, events and music that consumers discover, claim and share.

Why VIZADZ

- Hyperlocal discovery across cities with an in-app currency (VIZpoints).
- Multiple monetization rails: subscriptions, boosts, featured placements & agency tiers.
- Creator + business + consumer flywheel with built-in virality and referrals.
- PWA-first, fast to scale, no app-store dependency.
